NOTE FOR: [   ]

SUBJECT: Proposal to Change ICS Registry
           Hours of Operation

STAT

I have looked at your proposal to change
the Registry's hours, and I do not think we
should make that change now. My experience
has been that the nature of this business is
such that it is very difficult to anticipate
late requirements for Registry support, and
it may not be practical to change the hours
even after [   ] comes on board.

STAT

I would encourage you to look into options
which allow Registry personnel to stagger their
hours and to have only a skeleton crew available
from 5:00-6:00. Therefore, I think closing
at 5:15 is not in the best interest of the staff.
